SPRING 2026

Welcome

TO THE 2026 BEVERLY CIRCUIT

Your Pathway Begins Here.

Dear Riders, Families, and Members of the Beverly Community,

Welcome to the 2026 Beverly Circuit—a year focused on growth, opportunity, and community. This Circuit celebrates the riders who show up, put in the work, and strengthen our sport from the ground up.

New for 2026: We're introducing medal classes that bridge hunters to jumpers, recognize hard-working riders (including those without their own horses), and reward skill, horsemanship, and character.

Our leaderboard now recognizes pathways at the Introductory, Development, and Performance levels. Updated Finals eligibility will reward riders who stay local, show consistently, and build a season-long record at Beverly.

We can't wait to see you in the ring this winter and celebrate the journey we're building together.

Warmly,

The Beverly Team

2026 CIRCUIT LEADERBOARD

LEADERBOARD PATHWAYS: OVERVIEW

For the 2026 Circuit, every discipline—Hunters, Jumpers, and Equitation—is organized into three developmental Pathways that mirror the Circuit Leaderboard and Finals Eligibility structure. These Pathways align riders with classes that match their skills, goals, and stage of progress.

Participation Pathway – Designed for our entry-level riders (we see you, Poles & Pioneers!) building confidence, rhythm, and early show-ring comfort.

Introductory Pathway – For riders and horses building foundational skills and confidence in the show environment.

Development Pathway – For riders strengthening technique, pace, and consistency at traditional local show heights.

Performance Pathway – For riders ready for more technical questions or recognized-level goals.

Entry Fees & Information ^{cont'd}

The Closing Date for all entries is 12am on the Thursday before the show ("Closing Date"). Attach your required documents ("Docs") to your entry on Strider by the Closing Date; otherwise, an Administrative Fee ("Admin Fee") will apply. Even if you email your Docs to the show secretary to complete your entry before the Closing Date, an Admin Fee (for a non-Strider entry) will apply because you did not add directly to the portal.

Changes: Changing classes on the day of the show incurs no change fees. DO NOT submit show-day class add/drops to the show secretary. If a class change results in a credit on the show day, it can be used towards other fees AT THAT SHOW. A same day show class credit does not result in a REFUND absent special circumstances, such as a class being canceled outside of show management's control, and then, only upon email request to the show secretary at bevshowsec@gmail.com.

Scratches: Entries must be scratched on Strider before the Closing Date to receive any refund. Any refunds after the Closing Date are subject to a \$50 Admin Fee per entry.

Credits: Before or after Closing Date, to receive a credit in the full amount of your entry towards a future show, you must email the show secretary at bevshowsec@gmail.com before the show starts. (Note that this credit for entries is only available for 12 months following the original show date that the entry was submitted on Strider; it is not a rolling credit that can be moved to future Beverly shows indefinitely.) Keep proof of credit in order to send it to the show secretary at the time of intended future use for credit.

Strider allows payment by credit card, Venmo, and PayPal. Any additional class fees can be settled at the show by check, cash, Venmo, or Zelle on the show day. No credit cards are accepted at the show.

2026 CIRCUIT LEADERBOARD

Beverly has designed the 2026 Leaderboard Program to recognize and reward riders who work hard to improve their skills at their own level. We have greatly expanded the 2026 leaderboards to accomplish this goal. Managing ten separate leaderboards requires additional time, staffing, and administrative resources. A portion of the new 2026 office fee helps support this effort, along with our commitment to securing more prizes so that each leaderboard carries meaningful value for our riders.

1. Structure of the Pathway System

Beverly's Pathway system is a unique, Beverly-designed competitive framework recognizing riders at the level where they are actively competing.

Each discipline—Hunters, Jumpers, Equitation—is divided into three skill and (largely) height based pathways:

- Introductory
- Development
- Performance

These pathways form broad skill sets that mirror the natural progression of most riders through a given discipline. Riders may compete in any discipline and pathway at any time.

2. Earning Points in Multiple Pathways

- Riders may earn points in any pathway in which they compete.
- Points earned in one pathway are recorded only in that pathway's leaderboard.
- A rider may have point totals in several pathways simultaneously.

3. Moving Up a Pathway: The Move-Up Bonus

The Pathway system is designed to reward riders both for consistency at their level and for progression through the levels as they develop skill and confidence. When a rider moves into a higher pathway level during the season, they retain all points earned in lower pathways and may receive a Move-Up Bonus at the new level.

A one-time 6-point Move-Up Bonus can be earned by rider who moves to a higher pathway provided that the rider earns points within their first two shows competing in the higher level pathway.

2026 CIRCUIT LEADERBOARD ^{cont'd}

This limitation exists to ensure the bonus is awarded only when a rider is truly ready to move up. Riders are responsible for informing the Show Secretary if a Move Up Bonus has been achieved within 30 days of the Finals.

Point Accelerators

- Finals points count double on all pathway leaderboards.
- Onsite USEF points count triple on all pathway leaderboards.
- Riders attending 6 or more Beverly shows in the competition year receive a 6 point Participation Bonus if achieved 15 days before the finals.

Riders are responsible for informing the Show Secretary if Point Accelerators apply within 30 days of the Finals.

Keep In Mind...

As with any new system, there may be challenges in implementation, and unintended errors may occur. Please know that this program is guided by a genuine and generous purpose: to strengthen our community, to celebrate rider development at every stage, and to provide incentives that reflect the dedication of our competitors.

We appreciate your patience and understanding as we refine this expanded program, and we thank you for supporting Beverly's efforts to offer a rewarding, structured, and community-focused show experience.
